Who created us and our beautiful world?

Activity Time

Number the story of Prophet Ibrahim (as) recognising his Lord in the correct order. The first one has been done for you.

- Ibrahim AS saw the sun rise and thought it was his lord. When the sun disappeared in the night, Ibrahim AS realised it could not be his lord.
- Ibrahim AS realised that the star, the sun and the moon will not help him because they are weak. He recognised that Allah is the lord of the star, the moon, the sun and the worlds.
- Ibrahim AS saw the moon and thought it was his lord. When the moon disappeared, Ibrahim AS realised it could not be his lord.
- 1 Ibrahim AS saw a star and thought it was his lord. When the star disappeared, Ibrahim AS realised it could not be his lord.
- Ibrahim AS recognised that Allah is his lord. Because Allah is strong and powerful. Allah is alive, He does not die. Allah is remaining, nothing overpowers him.

The worksheet includes a large speech bubble at the top with the title. Below it are five numbered shapes for writing: 1 is a simple rounded rectangle, 2 is a starburst, 3 is a circular wreath, 4 is a speech bubble, and 5 is a square with rounded corners and a scalloped border. There are also illustrations of a pencil, a stack of books, and a decorative floral flourish at the bottom.
