# What is Ramadan?

Ramadan is a special month,

**Fasting** is when we don't eat or drink,

from the time the sun comes up in the morning...

until the sun goes down at  
night.

A long time ago, in the month  
of **Ramadan,**

Allah sent the **Quran** to  
our Prophet Muhammed (Peace be  
upon him).

Before we begin our fast we  
eat a meal called **Suhoor**.

Before the sun rises we pray  
**Fajr** salah.

We break our fast by eating  
a date and we pray  
**Maghrib** salah,

the prayer at the time of  
sunset.

Then we have a meal called  
**Iftar.**

Fasting teaches us  
to be **patient**

and reminds us to  
be **thankful** for  
everything Allah gives us.

AS **MUSLIMS** it is always  
important to **help** others  
and to share...

In Ramadan  
it's  
**extra  
special**  
to give more.

That means we should help  
people who have less than us.

At the end of Ramadan is  
**Eid Al Fitr,**

a **celebration** with  
family and friends.

**Everyone is welcome!**
