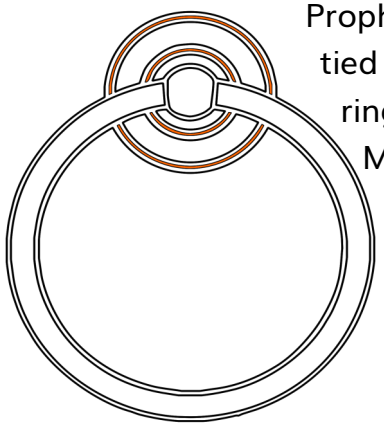
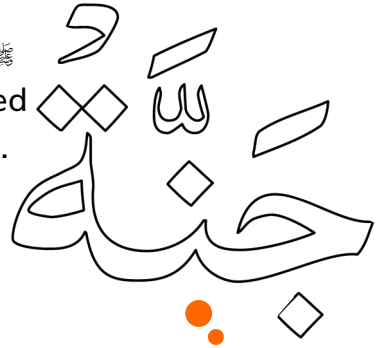
Activity 3. In Masjid Al-Aqsa



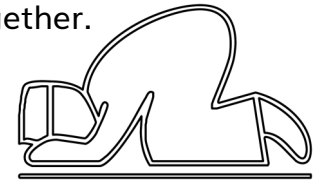
Prophet Muhammad ﷺ tied the Buraq to the ring on the wall of Masjid Al-Aqsa.

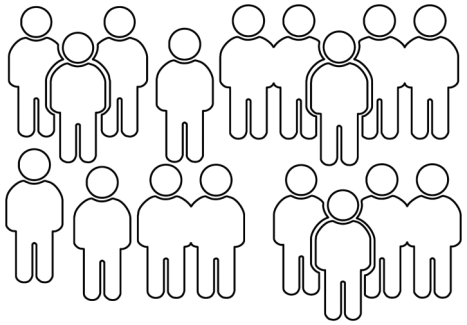
Prophet Muhammad ﷺ and Jibrael عليه السلام continued the journey to Jannah.



In **MASJID AL-AQSA**, Allah had collected all the prophets throughout history and brought them here for a special salah. They all prayed with prophet Muhammad ﷺ before he continued the journey to Jannah.

All the prophets prayed together.





All the prophets were already gathered inside Masjid Al-Aqsa.

The call was made for Salah.

My Name is:

The Prophets of Allah

One of the most amazing parts of the story is that Allah chose Masjid Al-Aqsa for all the prophets to gather at the same time to pray Salah together.

THE BEST

The prophets are the best of people. Allah selected them to teach the people about Islam. The prophets taught people to worship Allah alone; be good and helpful.

ALL NATIONS

Every nation was sent a prophet. Hadith tells us that about 124,000 prophets were sent.

MUHAMMAD

Prophet Muhammad ﷺ was the Last and Final Prophet. No more prophets will come after him. He is the final prophet and seal of prophethood.

All the prophets from history gathered in Masjid Al-Aqsa and the call for Salah was made. Prophet Muhammad ﷺ lead the Salah as imam and all the other prophets prayed behind him. After this amazing event, Prophet Muhammad ﷺ and Jibrael عليه السلام continued their journey up towards Jannah.

Land of the Prophets

Jerusalem is also known as Al-Quds (the Holy One). Many prophets have visited and lived in Jerusalem. Many prophets are buried in and around Masjid Al-Aqsa, this makes Jerusalem very special in the hearts of Muslims.

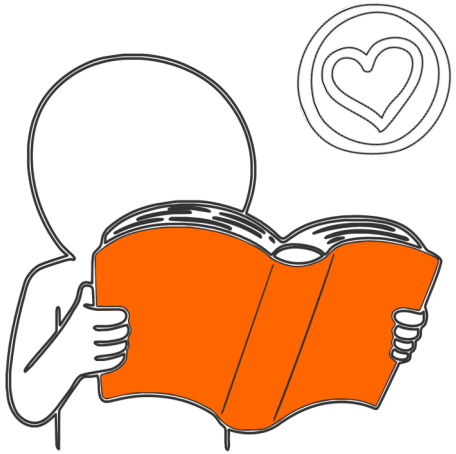
It was in Masjid Al-Aqsa that Angel Jibrael عليه السلام told Maryam عليها السلام about the birth of Prophet Isa عليه السلام.

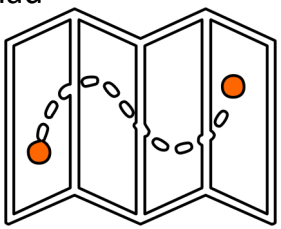
MUHAMMAD

Prophet Muhammad ﷺ went into the Seven heavens from Masjid Al-Aqsa.

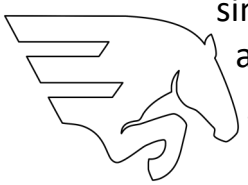


In Masjid Al-Aqsa

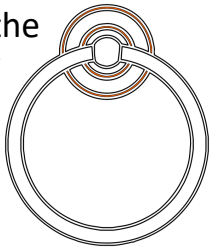
Prophet Muhammad ﷺ and Angel Jibrael عليه السلام had set off from Makkah on the Buraq. The journey to Masjid Al-Aqsa in Jerusalem had been very quick because the Buraq was so fast.



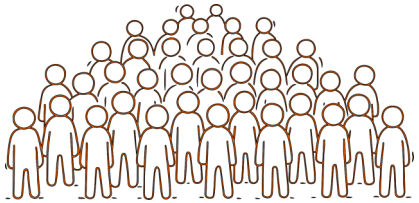
The Buraq could travel as far as the eye could see with one single step. It was a very quick journey, far quicker than anything on earth. Definitely quicker than camels!



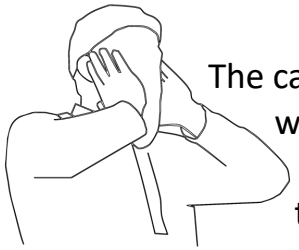
After arriving at Masjid Al-Aqsa, Prophet Muhammad ﷺ tied the Buraq to the ring on the wall of Masjid Al-Aqsa. This is the same ring that was used by other prophets.



On entering the Masjid, Prophet Muhammad ﷺ saw all the prophets of the past gathered there. You can imagine what an amazing sight that was!

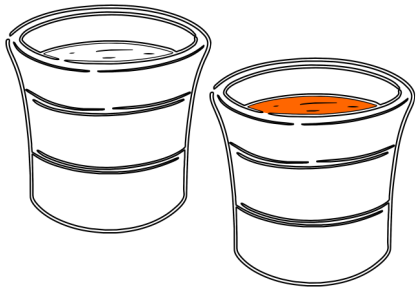


This is the first time in history that all the prophets were gathered together in one place at the same time. This was through the command of Allah.



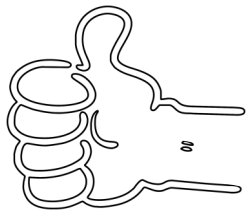
The call for prayer was made and soon the prophets were gathered for salah. Angel Jibrael عليه السلام took Prophet Muhammad ﷺ to the front to lead the prayer as Imam.

They spent a short time in Masjid Al-Aqsa before they ascended into the heavens.



While still in Masjid Al-Aqsa, the Angel Jibrael عليه السلام offered our Prophet Muhammad ﷺ two cups - One was filled with milk, the other with wine.

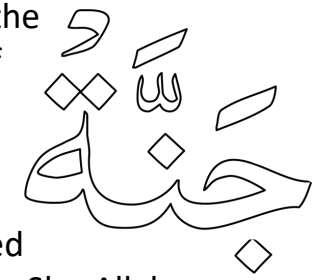
Prophet Muhammad ﷺ chose and drank the milk.

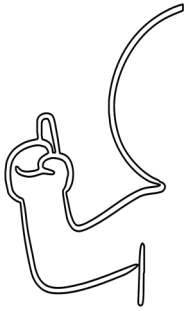


Angel Jibrael عليه السلام then said to him:

"Thanks be to God, who guided you to the fitrah; if you had taken the wine, your followers would have gone astray."

The journey through the heavens is the next part of our wonderful story. It will be continued next time, In-Sha-Allah





Fitrah is the natural state in which a person is born. This guides a person to the truth and Allah.
