What Is Durood Shareef?

Durood is a special dua for our Prophet Muhammad ﷺ.

When someone sends durood, he is asking Allah to send peace and blessings on our Prophet Muhammad ﷺ.

Did you know the Arabic name for Durood shareef, is Salawāt ‘Alan Nabi.

Why Do We Send Durood?

Our Nabi ﷺ had done so many favours on us, Alhamdulillah, we are Muslims today because of his sacrifices.

Sending Durood is the best way to show our gratitude to our Nabi ﷺ.

What Are The Benefits Of Durood Shareef?

There are numerous benefits of sending Salawāt upon on our Nabi ﷺ.

Sending Salawāt is the key to having our beneficial wishes granted and our worries and difficulties removed.

The Benefits Of Durood Shareef

It will bring us closer to our Nabi ﷺ.

It will save us from poverty.

Allah will shower us with His kindness.

Our Nabi ﷺ will make du'a for us.

For every Durood, 10 sins will be forgiven and 10 rewards will be written.

The Benefits Of Durood Shareef (Continued...)

It will make us very close to our Nabi ﷺ on the Day of Judgment.

It will lead us to the path to Jannah.

Our du'as will be accepted.

It will increase the chances of seeing our Nabi ﷺ in our dream

When Should We Send Salawāt?

Salawāt on our Nabi ﷺ should be sent daily, however, we should increase our salawāt on Thursdays, after Maghrib salah till Friday Maghrib.

Our Nabi ﷺ had strongly encouraged us to send Salawāt on him on Friday nights and Fridays.

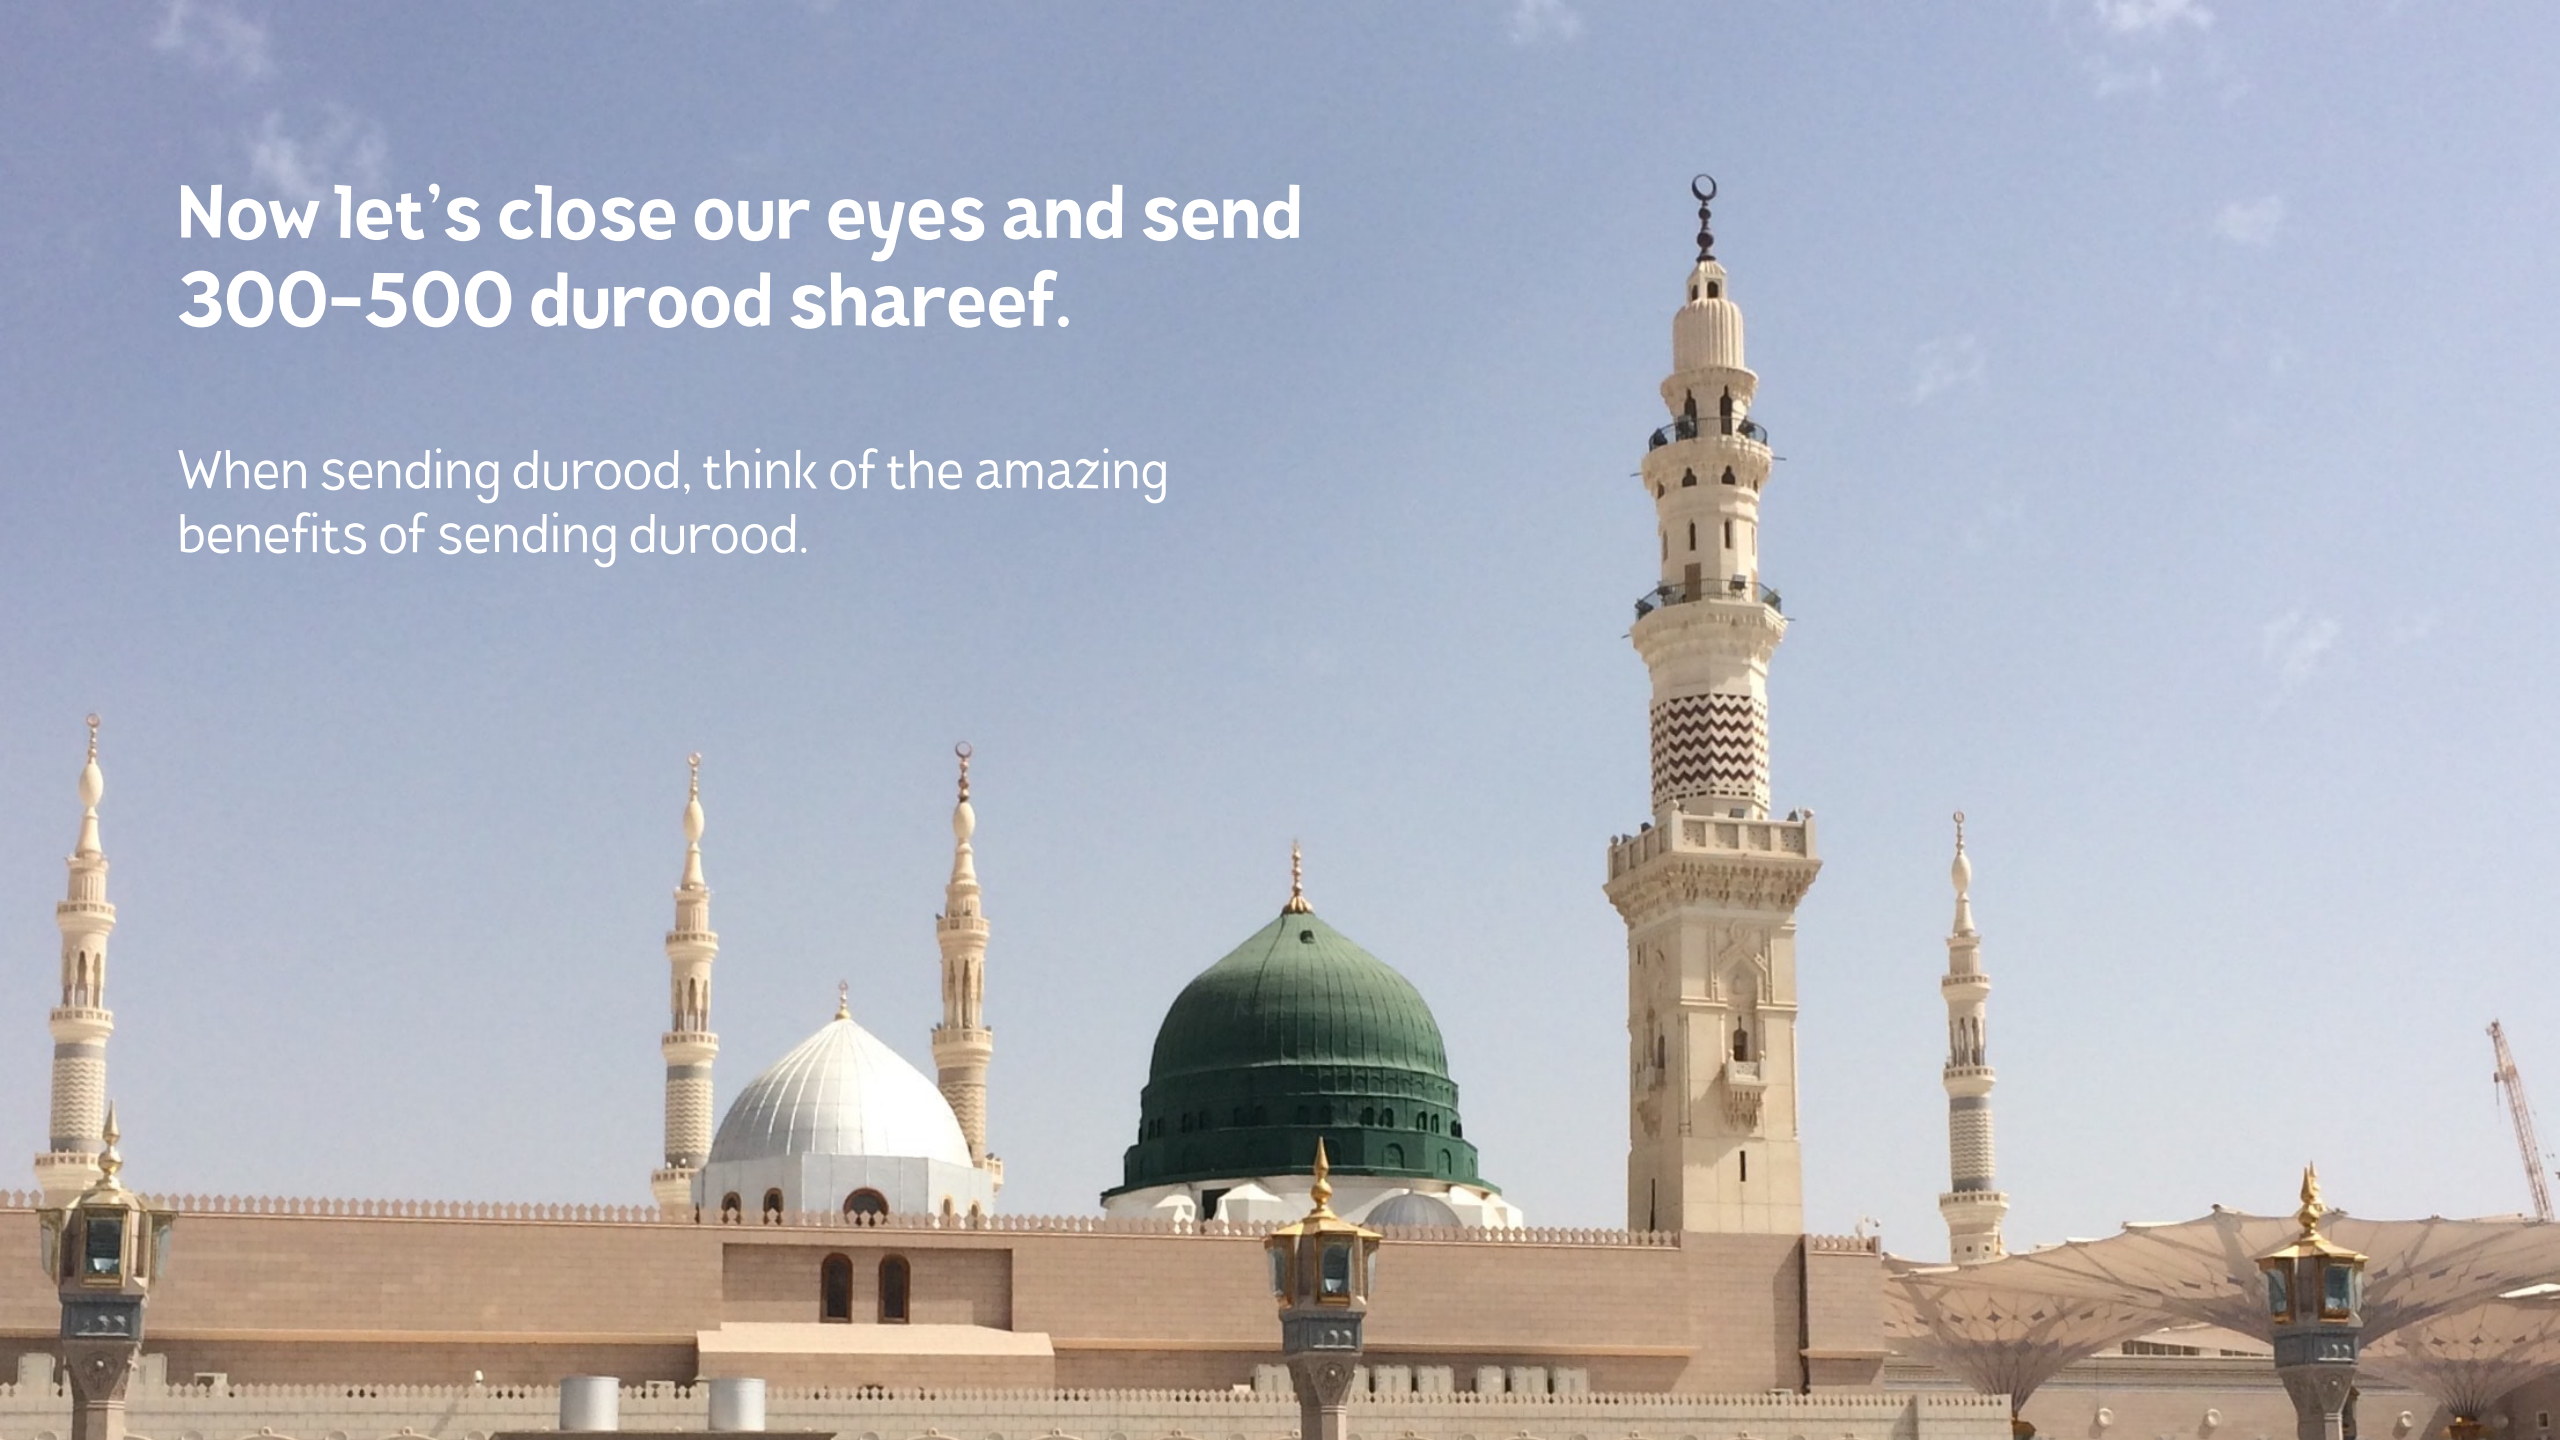
How Should We Send Salawāt?

There are many ways of sending Salawāt. Our Nabi ﷺ had taught us different ways.

You may read short salawāt, and you may also read lengthy salawāt.

There is a 40 durood book which you may read.

How many salawāt would you send daily?



Now let's close our eyes and send 300-500 durood shareef.

When sending durood, think of the amazing benefits of sending durood.
