

Five Hujjaj went out one day,
Down to the Haraam because they wanted to pray.
The guide soon called for them to come pack,
But only **four** hujjaj came walking back.

Continue changing the numbers in red until all hujjaj have left
the haraam.

Then read,

***The worried hajj guide went on his way,
down to the haraam where the hujjaj went to pray
He called and called for the hujjaj to come pack
And all five hujjaj came walking back!***

Then place all of the hujjaj back on the board if the child(ren)
wish to play again insha'Allaah
