- There were 10 generations between Adam(AS) and Nuh(AS) who were on Tawheed, then slowly shirk and sins started creeping in them.
- The righteous people who worshipped Allah were few. Shytaan took this opportunity to mislead the people towards shirk. He advised the people to make statues of righteous people, like Wadd, Suwa, Nasr, Yaguth, Yaqooq, so as to remember them. The people instead started worshipping them, thus started the evil of idol worship. (Surah 71:23)

3

- Allah sent Nuh(AS) as the first messenger for the people of the earth. Nuh(AS) was from among the 5 great Prophets.
- Nuh(AS) preached to the people for 950 years. He told them to worship Allah alone, stop committing sins.
- Nuh(AS) preached night and day, privately and publicly, individually and as a group.

4

- But the people only made fun of Nuh(AS), and they put their fingers in their ears. The leaders of Nuh(AS) said he was mad, they threatened to kill him if he did not stop the dawah.
- The people refused to listen they asked Nuh(AS) to bring the punishment of Allah, then Nuh(AS) made dua to Allah "My Lord!... (S.71:26-27)

5

- Allah(SWT) ordered Nuh(AS) to build an ark, and commanded him to take with him the believers, every pair of all animals, a pair of all kinds of birds.
- They said Bismillah and embarked the ark, giant waves came crashing down.
- Nuh(AS) called out to his son, but he refused saying he will climb on a mountain, feeling secure.

6

- Nuh(AS) asked forgiveness for his son, saying he was a family member, but Allah said not to treat him as one because Allah he chose not to remember.
- Our parents deeds will never help us, we need our own.
- The ark sailed and rested on Mount Judi, as Allah ordered the rain to stop and the earth to swallow up all its water.
- Allah thus, saved the believers and destroyed those who disbelieved and did shirk, Alhamdulillah.
