Draw and write.
Long, long, long ago.
When there was no mum and there was no dad.

Draw and write.
Long, long, long ago.

---

Draw and write.
When there were no men at all.
Just the Angels and Jinn.

Draw and write.
Long, long, long ago.
Allah made a man with His two hands.
Long, long, long ago.

---

Draw and write.
The man’s name was Adam. He was tall.
Long, long, long ago.

Draw and write.
No men, just Adam, all by himself.
Long, long, long ago.
With the Angels and good Jinn.
Long, long, long ago.
Allah told the Angels to bow to Adam.
Long, long, long ago.
The Angels bowed, but one did not.
Long, long, long ago.
He was not an Angel. He was a Jinn.
Long, long, long ago.
The Jinn did not bow, he said he was better.
Long, long, long ago.
This Jinn was not good anymore. He was bad.
Long, long, long ago.
The bad Jinn wants us to be bad too.
Long, long, long ago.
So let’s be good, you and me, to make our Lord Allah, happy.
The end.
