

Nearer and Nearer and Nearer...

Nearer and nearer
And nearer we've come!
The time we'll go back
To Allaah the One
A Day when His earth
His sun, moon and sky
Will all disappear
And this is no lie...

Nearer and nearer
We're reaching that place!
The life that is next
Which we will all face
A Day we will know
If we have been good
If we've obeyed Allaah
The way that we should...

Nearer and nearer
Are you and I!
Towards the next life
After we die
There's no coming back
To this life here
Know this for certain
So have hope and fear...

Hope in Allaah
And worship just Him
And fear His punishment
If you want to sin!
And show you are Muslim
Whom Allaah you love
And do good actions
To please Him above...

Nearer and nearer
And nearer we've come!
Going back to Allaah...

...So what have you done?

Allaah says in the Qur'aan
(which roughly means):

'When the sky is stripped
away and taken away from
its place, and when Allaah's
Fire is set ablaze, and
when Paradise is brought
near, then every person will
know what he has earned of
good and bad actions...'

[Soorah at-Takweer 81:11-
14]
