

# Little Tawheed Talk

The whole world and all the things in it belong to Allaah. That is because He created them.

Allaah made the clouds that pour the rain.

Allaah made the rain that makes the trees and plants grow.

Allaah made the trees and plants that grow all kinds of food on them.

And Allaah made all the food that we pick and eat!

We need to eat Allaah 's food to make our bodies, minds, bodies and hearts strong. Who made our bodies, minds and hearts?...
