Teacher Answers

**The Behaviour of Sawm**

- Doing sawm truthfully (do not eat or drink secretly)
- Don’t follow up the zakaat money you pay out of authority

- Do not show off in front of your friends when you are fasting
- Do it for the sake of Allah

- Fasting is also about behaviour, not just food and water!
- Don’t eat haram food after breaking your sawm
- Fasting from Fajir until Mughrib

- Fasting means to stop:
  - eating
  - drinking
  - bad behaviour
  - rude words, too!

- Break your sawm with dates and water
- Don’t wait long after Mughrib to break sawm
