'Let's raise our hands to thank Allah'

Step 1: Decorate the hand template (see next page).
Step 2: Cut out the template and hole punch the circles drawn on the side of the palms.
Step 3: Attach a string to one of the palms.
Step 4: Decorate and cut out the things you would like to thank Allah for. You may wish to write some of your own.
Step 5: Double hole punch your gratitude notes and attach them to the string.
Step 6: Once you have added all your notes, attach the end of the string to the other palm.
Step 7: Stick a lollypop stick at the back of each hand template.

And thats it! Raise and "open" your hands to show gratitide
