

How to make Wudhu

1

Wash both hands three times properly, upto and including the wrists.

2

Rinse and gargle your motuth 3 times. Its sunnah to use miswaak too.

3

With right hand, take water into nose and clean with small finger of left hand 3 times. wash face 3 times making you wash the areas in red above)

4

Wash your forewarms 3 times each from your finger-tips until past the elbow starting with right side arm.

5

Wet hands and place palms of wet hands on top of forehead and drag back over head to neck and back again.

6

Using same wet hands, use the index finger to wipe inside and back of ears.

7

Wash your feet, heels, ankles, between toes 3 times. Right first.

Step-1: Before you start - make Niyyah (intention) Make intention that you are performing Wudhu as an act of worship to please Allah subhaanahu wa ta'laa.

Step-2: Say "Bismil-laah-hir- Rahamnir Raheem" (I begin with the name of Allah, the Most Gracious, the Most Mercifu)

Du'aa after Wudhu: when finished, repeat Kalimah Shahadah:-
"Ashhadu an laa ilaaha illallaahu wahdahu laa shreeka lah, wa ashhadu
