

## Ramadan is the month of giving.

To give Sadaqah is an easy way to increase our eemaan. Every Muslim wether poor or wealthy can give sadaqah at all times.

Smile	Give from what you have	Enjoy what is good, forbid what is wrong.
Remove harm from the pavement	Help the one who need you	Give your brother water

**MONEY WISE;** Look how much there is in the wallet. How much is left to give for sadaqah. Make the calculation.
