

Wudu Steps Book – cut out each picture along border and staple together at the top...don't forget to use the title page too....it should go from short to long.

7 Steps for making Wudu

2. Put water into your mouth and sniff into your nose at the same time. Then spit out and blow out your nose.

Say Bismillah (to yourself) and then start performing the Ablution (wudu)

1. Wash your hands 3 times getting in between your fingers.

4. Wash your arms starting with washing your hands up to your elbows going to the inside of your arm and back down to your hand. 3 x's

3. Wash your face from where you hairline begins going around to the base of your ears and stop at your chin. 3 x's

5. Wash your head – begin with the front of your head... and bring them to the back of the head and then bring them back to the front – where you started.

6. Wash your ears – using the same water that was used from washing one's head.

7. Wash your feet starting with your right foot up until you reach your ankle and in between your toes. 3 x's
