Parents and teachers: Please read these points out to your children to help them understand what they have read *inshaa Allaah*.

1. Allaah is our Lord Who deserves to be loved and always obeyed. Allaah is extremely Kind to us. He gives us all our blessings like food, clothes, health, eyes, family and much more. And He guides us to what will make us happy in this life and the next. But bad people do not thank Allaah for His Kindness. They do not love Allaah. Nor do they obey Him and worship Him alone. Bad people make Allaah Angry.
2. Allaah has made painful punishments for people who make Him Angry. Allaah has made a huge and horrible Fire which is in the next life. Bad and evil people will go to this Fire. They deserve to be punished there.
3. We should feel afraid of Allaah punishing us if we are bad. And we should feel afraid of Allaah's Fire. Allaah says:

"...Feel afraid of Allaah's Fire (of Hell)...prepared for those who disbelieve (and disobey Allaah)." [Soorah al-Baqarah 2:24]

4. So let's try our best to be good Muslims! We should always obey Allaah and worship Him alone. This means we should be people of *Tawheed*. Remember kids, Allaah is also the Most Kind. If we love and obey Allaah and worship Him alone, Allaah will give us great rewards! And, He will forgive us for our past sins *inshaa Allaah*. Allaah says:

"Truly Allaah is full of Kindness and the Most Merciful towards mankind". [Soorah al-Baqarah 2:143]
