

# Allaah's Fire

There are people in this world  
They are very bad  
They disobey Allaah Most Great  
And they make others sad.

They do all sorts of evil things  
To Allaah they don't pray  
When Allaah is Most Kind to them  
They just turn away!

They have made Allaah Angry  
But He won't let them go  
He'll punish them for being bad  
This we all should know.

In Allaah's Fire they will burn!  
They'll have no good reward  
That's because they lived and died  
And did not please our Lord.

So feel afraid of Allaah's Fire  
Be good Muslims too!  
Then Allaah will give good rewards  
To me, I hope, and you!
