When we look outdoors and high up above, we see Allaah's great, big, sky. Did you know that Allaah has created more than one sky! See how Powerful and Perfect Allaah is! To find out how many skies Allaah has created, work through this activity-puzzle by answering the questions, do your sums right, and you'll find the answer.

1. How many eyes has Allaah created for us?

Answer: \_\_\_\_\_

2. Add your answer to how many ears Allaah has created for us.

Answer: \_\_\_\_\_ + \_\_\_\_\_ = \_\_\_\_\_

3. Next, add you last answer to how many fingers Allaah has created on one hand (including thumb):

Answer: \_\_\_\_\_ + \_\_\_\_\_ = \_\_\_\_\_

4. Next, write down how many feet Allaah has created for us. Take away this answer from your last answer:

Answer: \_\_\_\_\_ - \_\_\_\_\_ = \_\_\_\_\_

To see if you have the right answer, read verse 3 of Soorah Mulk because Allaah tells us the answer there.

**NEXT TASK:** Finish off writing this sentence:

**Allaah the Creator, has created \_\_\_\_\_ skies one above another. We know and believe this from reading and understanding verse 3 of Soorah Mulk in the Qur'aan.**
